Login page.....	4
Online payment.....	6

## **ACKNOWLEDGMENT**

I would like to express my special thanks of gratitude to my teacher ***KIRTI BALA*** who gave me the golden opportunity to do this wonderful project on the topic ***RESTAURANT***, which also helped me in doing a lot of Research and i came to know about so many new things I am really thankful to them.

## **HOTEL MANAGEMENT**

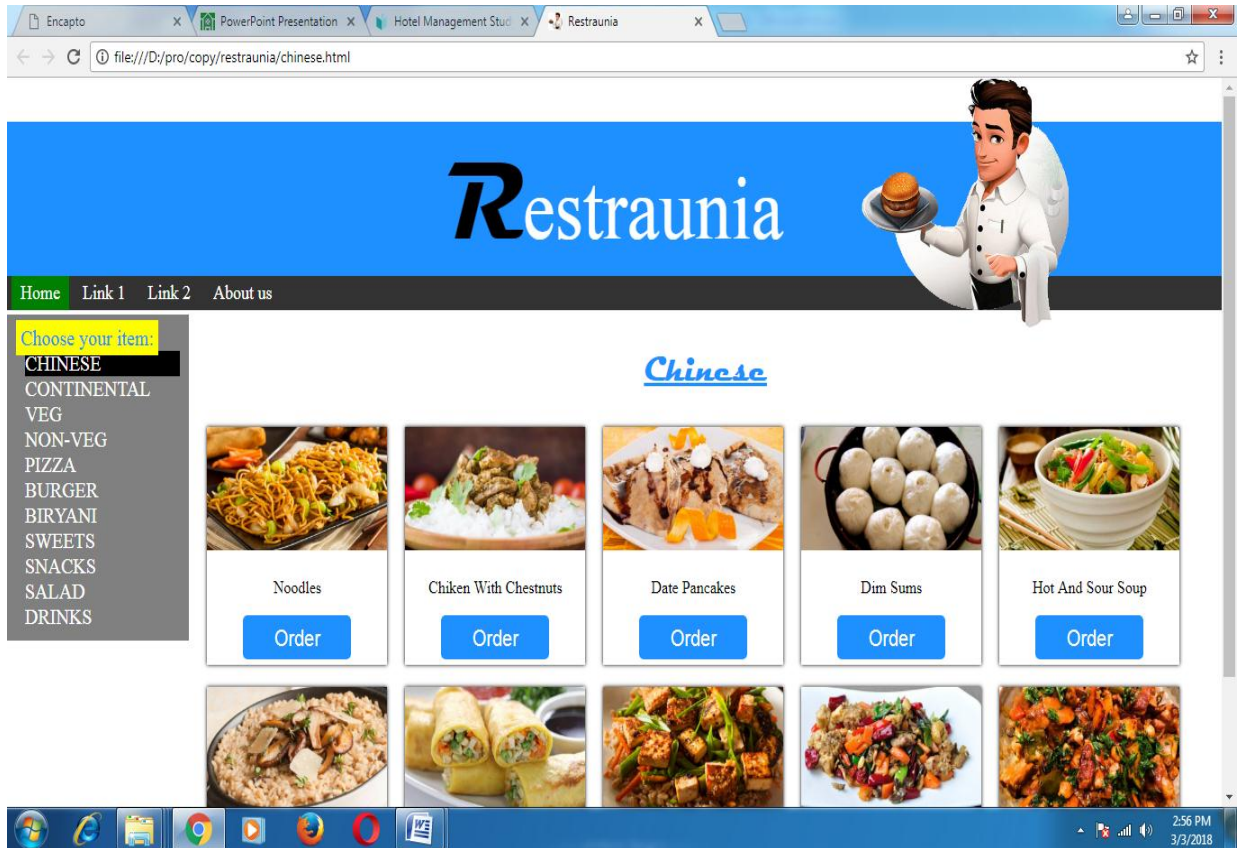

An education in **hotel management** teaches students the skills to effectively manage different responsibilities such as reception and concierge services, restaurant and bar functions, administration, **management** and marketing.

For students interested in studying abroad, **Hotel management** can be an appealing area of study. It is a career that provides extensive opportunities for travel and working abroad. Many international students take the opportunity to obtain their diploma or degree in a foreign country. This provides not only a memorable experience but also a knowledge of another culture and often a foreign language.

## WEBSITE DESIGN

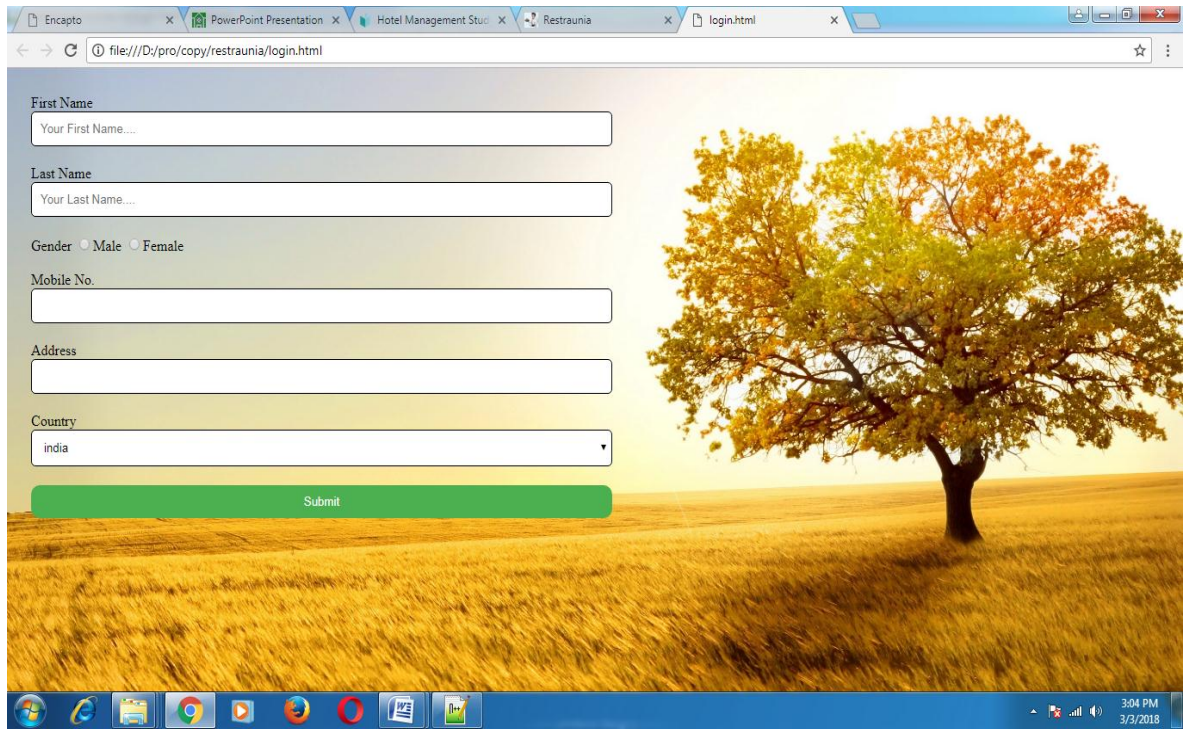

We design the website of restaurant to provide an easy way of ordering from home. The main perspective of designing this website is for a convenient way of ordering.

We have chosen the name of our ordering website as **RESTAURNIA**.

## LOGIN PAGE

We design this to provide more conveniently way of login which contains only first name,last name, gender, mobile number,address, and country.

First Name  
Your First Name....

Last Name  
Your Last Name....

Gender ☐ Male ☐ Female
